

How to apply

Call for enrolment into the Double Degree Programme (UL-FDV – UNI PASSAU) in the academic year 2022/2023:

[Study programme International Relations](#)

[Study programme European Studies](#)

Important Application Steps

Step 1: Apply for the Erasmus+ scholarship

Candidates apply for [Call for Mobility of students for the purpose of studying within the Erasmus + program](#) in order to obtain a mobility scholarship at UNI PASSAU. This is a separate call, so students must complete all scholarship application procedures and submit the required documentation. Obtaining an Erasmus + scholarship is not a condition for applying for a double degree program.

Step 2: Apply for the Double Degree UL-FDV – UNI PASSAU

The Double Degree application must be submitted to [the International Relations Office UL-FDV](#) at masa.kolenbrand@fdv.uni-lj.si by the deadline set in the Call for Applications. The application must include:

- Curriculum Vitae, containing personal details, educational background, practical or professional work experiences or qualifications and previous scholarship awards,
- Motivation Letter
- Certificate of Foreign Language Proficiency

All documents must be submitted in English.

Step 3: Students will be nominated to UNI PASSAU by 31 May

After the confirmation of the selected students, they receive all the relevant information on how to apply and enrol at the UNI PASSAU.

Selected students are required to complete the standard enrolment procedures and submit all the documents needed for the enrolment within the UNI PASSAU application deadlines.
