SUSTAINABILITY LEADERSHIP SUMMER SCHOOL

Mastering Public Policy for the Implementation of
the United Nations Sustainable Development Goals

5

DAYS COURSE

(Face-to-Face and Online)

**Monday 7th - Friday 11th
August 2023**

**London
United Kingdom**

**CERTIFICATE
OF COMPLETION**

from Queen Mary University of London

The course has been designed to introduce a variety of fundamental perspectives on public policy analysis and formulation to achieve the **United Nations (2015) Agenda 2030 for Sustainable Development** and its **17 Sustainable Development Goals (SDGs)**. The course aims to discuss and explore the various approaches and different ways (in different countries) that can contribute to policy analysis, formulation, implementation, monitoring and evaluation.

More information about the course can be found at:

<https://wasd.org.uk/listing/sustainability-leadership-summer-school/>
