

PROPOSAL FOR A THEMATIC SECTION

Guidelines

Detailed guidelines on the thematic orientation and editorial policy of the Journal *Teorija in praksa* are accessible to the proposer of a special edition on the Journal's website: <http://teorijainpraksa.si>. Each special edition can have several guest editors. The proposer should describe the theme and scope of the edition in the rubric *Proposed Theme* in no more than 300 words. Preferably, the proposer should list the titles of individual articles and book reviews; they should be written in the rubric *Number and type of contributions*. The *Teorija in praksa* Editorial Board reserves the right, in collaboration with the guest editor, to transfer the submitted contributions or even refuse them, particularly in the case of negative peer reviews. The Editorial Board also reserves the right to influence, in collaboration with the guest editor, the choice of peer reviewers. *Teorija in praksa* does not publish reviews of books that are more than two years old.
